MAN O' WAR

BAR & RESTAURANT

Did you know...

The Man O' War Bar and Restaurant is named after the bay adjacent to Durdle Door which in turn does not get its name from the deadly jellyfish but from the jagged line of rocks which are said to resemble a fleet of 16th-19th Century warships which were known as "men-o-war". It is a beautiful bay well worth a visit whilst you are here!

v Vegetarian | ve Suitable for vegans | gf Gluten free | gfo Gluten free option
