that at the end of the **16th century** the lake **dried up** completely.

that between 1928-1929 Josef Giner built the dam that divides the two lakes, and in **1930 Natterer See** was opened to the public as a place to swim.

that at almost 80 years of age, the Mirrorcarp called „OTTO“ is the oldest occupant of the lake, and that the lake is home to beautiful **Koi carp** since 2022.

that the 66 meters long waterslide „Happy Swing“ was opened in 1987.

that our MEGA Aquapark is one of the biggest in Tyrol.

that the lake contains water of the highest quality regularly checked by local authority.

that our **award winning multipurpose service building** provides first-rate service in a new dimension.

that our campingsite regularly receives coveted **awards** like the ADAC Camping Award, the Camping.info Award, the Dolde Medien Campsite Award and the DCC Europe Prize in Platinum.

that we opened **Austria's first Glamping-Park „Nature Resort“** in 2016.

that Ferienparadies Natterer See is a member of **Top Camping Austria** and **Leading Campings of Europe**.

that every year we welcome guests from more than **70 different countries**.
