Television in Your Room

Dear Guest,

Our television does not have traditional TV channels. However, you can easily watch your favorite movies, series, and shows via **Google Cast**.

How Does It Work?

1. Press the Portal button on your remote control.
2. Scan the QR code on the TV screen with your smartphone.
3. Follow the instructions to establish the connection.
4. Open your preferred streaming app, such as YouTube, Netflix, or Disney+.
5. Tap the Cast icon to play the content on the TV.

We wish you a pleasant and enjoyable stay!
